Why are Fleet Complete, Intact Insurance and TELUS working together?	Each company - Fleet Complete, TELUS and Intact Insurance - is seen as a leader in their industries. By bringing these three companies together, you can benefit from excellent customer service and a value-add product.
What is the role of an Intact Insurance Broker?	Intact Insurance brokers will be the primary point of contact as it relates to the purchase of insurance coverage. For any customers inquiring about the my Fleet Solution offering, they will be the first point of contact for them.

Online Personalized Dashboard

Question

Answer

What items are taken into consideration when calculating the insurance score?

There are 7 variables taken into consideration when determining the insurance score for *my* Fleet Solution:

- Rapid Acceleration
- Harsh Cornering
- Hard Braking
- Speeding Against Posted Limit
- Mileage Travelled
- Excessive Speeding
- Driving During High Risk Hours

The device also monitors the level of vehicle maintenance and offers Geo-Fencing monitoring.

How will your driving data be used?

The driving data is considered sensitive information and must be considered as complimentary to the overall risk analysis of an account. The information listed on the dashboard alone will not negatively impact your insurance premium

How long before I can obtain my insurance score?

At least 30 days of data needs to be captured before a score becomes available.

How often is the information updated on the customer dashboard?

The data within the insurance dashboard is updated daily at 3:00am EST.

What can I do if there is an error with information on the dashboard?

A Fleet Complete support representative is available to help out. They can be reached at 1-800-220-0779 x 401 or at: support@fleetcomplete.com

Information and security

Question

Answer

What information will be available to my Intact Insurance broker?

All information that is captured on the dashboard is available.

How, where and how long is the customer's fleet performance information stored within the dashboard?

The data is collected by Fleet Complete and stored on its servers. Any data received by Intact for purposes of the *my* Fleet Solution program will be stored in Canada and in accordance with Canadian privacy laws and Intact's Privacy Promise, available at www.intact.ca/privacy, as well as Intact's information technology security protocols and policies. Please refer to the terms of use for more details.

What is the privacy policy attached to this program?

For more details, please refer to the 'terms of use' listed at www.intact.ca/business-my-fleet-solution-terms

Are there security measures in place to protect my data?

Yes, the data collected by the Fleet Complete device and transferred to Intact Insurance for insurance purposes will be stored on the secure servers of Intact Insurance and in accordance with Intact's Privacy Promise. For more information, please see the terms of use for more details. This can be viewed at www.intact.ca/business-my-fleet-solution-terms

Device - installation, usage, software

Question

Answer

**What is the online personalized dashboard?
How does it work?**

The dashboard will be available to Intact Insurance customers only. It will provide the client with details on the performance of their fleet. Brokers will have access to their clients' dashboard through a separate login, enabling the broker to review the fleet safety performance.

Intact Insurance underwriters & loss prevention staff will also have access to this dashboard for underwriting and for loss prevention purposes.

What specific programs do I need on my computer to access the dashboard?

The dashboard will work with the following web browsers:
Chrome v41, Firefox v36, Opera v20, Internet Explorer 8+ and Safari v5.1

How quickly can I get set-up?

The entire set-up process typically takes two to three weeks.

How long does it take to install the devices?

Installation of each device takes approximately 45 minutes.

Who installs the device?

Devices are installed by a technician arranged by the TELUS Fleet Complete team.

Do I need to be present for the installation of the device?

You do not need to be present during the installation.

If there are future updates to the online program or the actual device, how do these changes reach me?

All software updates are automatically updated to the devices. Any service interruptions are communicated to the customer via email with a minimum of two weeks notice.

Will the device work outside of my home province?

Should there be cellular signal, the device will work outside of your province. Additional charges may apply, please contact TELUS for more details 1-866-558-2273 from 8 am to 5 pm local time (Monday through Friday).

What happens if the device is stolen or damaged in an accident?

If the device is stolen or damaged, it will need to be replaced. The customer will need to cover the cost to replace it.

In order to be provided with a new device, the customer needs to call the Fleet Complete technical support at 1-800-220-0779 x 401 or email them at support@fleetcomplete.com.

What happens if the device is not working, who do I contact?

If the device is not working, you will need to contact the Fleet Complete technical support team at 1-800-220-0779 x 401 or email them at support@fleetcomplete.com.

How do I return the device after my three year contract is over?

The actual device belongs to you after the three year contract has expired. There is no need to return it.

When your three year contract with TELUS expires and if it is not extended, other charges may apply. For details, please call TELUS at 1-866-558-2273 from 8 am to 5 pm local time. (Monday through Friday).

If I am interested in getting more devices for their fleet, who do I contact?

For more devices, you can contact the TELUS Dealer from whom you were enrolled in the original contract. Alternatively, you can contact Fleet Complete by calling 1-800-220-0779 x 1 or emailing sales@fleetcomplete.com.

Program costs & contract

Question

Answer

How much does this program cost?

The cost of TELUS Fleet Tracker (i.e. the fleet management component of the solution) will be provided by the appropriate TELUS sales representative at the time of inquiry."

The cost of *my* Fleet Solution (i.e. the insurance value-add to the Fleet Complete product) is the cost of purchasing a commercial fleet insurance policy with Intact Insurance, with the benefits of premium discounts.

Who do I contact if I have questions about this program?

If you have any questions related to the insurance component of the program, please contact your Intact Insurance broker.

If you have any technical problems relating to the Fleet Complete product, contact Fleet Complete by calling 1-800-220-0779 x 1 or emailing sales@fleetcomplete.com.

If you have any general inquiries relating to the Fleet Complete product, contact Fleet Complete by calling 1-800-220-0779 x 401 or emailing support@fleetcomplete.com.

If you have any questions related to your Fleet Complete account, contact the TELUS Customer Care at 1-866-558-2273 from 8 am to 5 pm local time or dial *611 from a TELUS mobile device.

Is a contract required for the fleet management device and program?

Yes, a three-year contract will need to be signed with TELUS for the Fleet Complete product. The 3-year term will include the hardware, software, installation, training, support and other elements of the solution.

Which company issues my bill?

There will be two bills: one bill issued by TELUS for the Fleet Complete product and one bill issued by Intact Insurance for the insurance policy.

Customer experience & support services

Can this information be used for 'hours of service' application related to the Ontario Government?

Additional hardware and software is required in order for this information to be captured for this application. Please contact Fleet Complete for more details at 1-800-220-0779 x 1 or email: sales@fleetcomplete.com

Is this device compliant with Ontario Transportation policies?

This device is compliant with all policies associated with Ontario Transportation.

How do I receive newsletters or updates regarding the program?

TELUS will send a newsletter regarding the Fleet Complete product to all customers every two months. Customers have the option to opt-out of this email.

What happens if I sign up for the program and then move to another insurance company?

If you are no longer enrolled in the *my* Fleet Solution program, then you will no longer be able to take advantage of the insurance dashboard that is made available within the software to Intact customers only. However, your enrolment in the Fleet Complete program will not be affected and you may continue to use the device.

What is the procedure if I want to cancel participation in the program?

To cancel your enrolment in *my* Fleet Solution, please contact your Intact Insurance broker.

To cancel your enrolment in the Fleet Complete program, you can contact the TELUS Customer Care at 1-866-558-2273 from 8 am to 5 pm local time or dial *611 from a TELUS mobile device.

How can I arrange for a demonstration of the software?

Please contact Fleet Complete by calling 1-800-220-0779 x 1 or emailing sales@fleetcomplete.com.

Can I speak with someone who has tried this product?

Please contact Fleet Complete by calling 1-800-220-0779 x 1 or emailing sales@fleetcomplete.com.
